WHAT CAN I DO TO HELP?

Workers are needed year round. We are constantly maintaining, improving and expanding our operation. Construction is ongoing. Some of the skills needed are mechanical, electrical, painting, construction, plumbing, welding, grounds keeping, general handy men/women, office building maintenance, equipment maintenance, general housekeeping and cooking. Whether you're young or old we welcome you to come and seve with us in fulfilling God's mandate to feed the hungry.

Each winter volunteers help in the vegetable soup mix plant. Dehydrated vegetables are donated in bulk and mixed together to make a very nutritious soup mix. The soup is packaged in quart and gallon plastic bags which are then packed in barrels to be sent world wide. Missionary organizations use the soup to reach families, in feeding programs, in schools and in orphanages. Come join us for fun and fellowship around the vegetable soup production!
